### From Deb's Desk

Deb Johnson FDA President, ChFC, CDFA™

*It is so hard to believe that the 4th of July has passed already! Growing up, the 4th of July always marked the mid- point of summer, and with it passing so quickly I hope you and your families have been able to enjoy quality time together! Thank you for your participation in our Teleclass series - we have been able to share some valuable information on the intricacies of divorce and finance, keeping our edges sharp as we assist those going through the difficult life transition of divorce.*

*We will not be hosting a Teleclass in August due to the vacation season; and it is important to us to hear of other topics that any of you would find helpful.*

*Enjoy the rest of summer and we will meet again in September through the Teleclass!*
