Deb Johnson FDA President, ChFC, CDFA™

As we see summer draw to a close and autumn drawing near, we begin to reflect on our accomplishments for the year and determine goals for the New Year. We, at FDA, are beginning the process of building our business plans for 2017.

We treasure your continued support, and want to hear from you about the subject areas where YOU would like to see more training teleclasses and webinars. Offering you assistance to grow your divorce financial planning knowledge base and practices is our goal!

In this Issue.....

- *You and Your Divorce Settlement - BFFs*
- *Six Things a Breadwinner Needs To Do Before A Divorce*
- *Divorce Doesn't Preclude Social Security Spousal Benefits*

SEPTEMBER WEBINAR!

Family Law Software - Analysis & Negotiations

PLEASE NOTE: THIS IS A FREE WEBINAR, HOWEVER NO CE CREDIT WILL BE AWARDED. YOU WILL NEED CALL-IN & INTERNET ACCESS

**Tuesday, September 27th, 2016
10a PDT/11a MDT/12n CDT/1p EDT**

Deb Johnson, ChFC, CDFA, CFDS and Marlene Shiner, JD

- Many family law attorneys nationwide rely on their financial colleagues to advise them on crucial financial calculations and documentation for their divorce clients. Family Law Software remains a leader in the software used by Professionals in Divorce!
- If you've taken the CFDS course, you used FLS in your case study. This is a follow up webinar to our May offering and gives you an in-depth look at the features of the Analysis and Negotiations tab!
- Never used FLS before? Missed our May class? Get additional training in FLS - geared to our Financial Professionals!

Marlene Shiner (FLS expert and Attorney), returns to detail a key area of the tool that Financial Specialists utilize! Marlene provides support for the

subscribers to the software and trains attorneys, paralegals, financial professionals and their staff on how to maximize the software's utility.

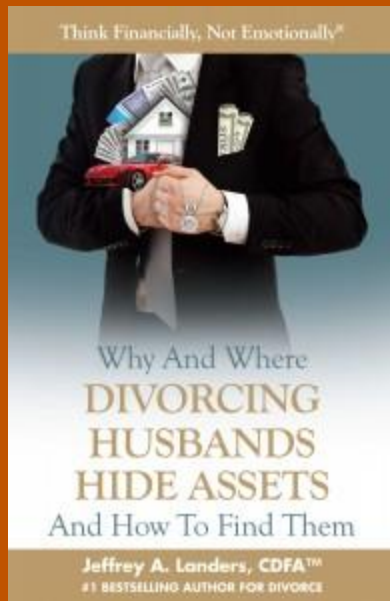

Included in this webinar:

- Become fluent with the robust features of Analysis & Negotiation
- Understand income and the current cash flow of the parties using actual child support and spousal support amounts
- Create and compare various child support, spousal support and property division scenarios for your clients using the Guideline "What-If Analysis" and "Property Division Scenarios" tools
- Assist Attorneys and Clients in outcomes of tax filing status and dependency exemptions.
- Learn how to use alimony calculators to arrive at alimony based on an income split or an amount to meet the recipient's budget.
- Learn to use tools related to alimony recapture, alimony break-even, alimony present value buyout, alimony after-tax, and alimony trade-off
- Use tools to divide property, determine property after tax, create property division scenarios and record property valuations.

Webinar will last approximately 1 hour.

PLEASE NOTE: THIS IS A FREE WEBINAR, HOWEVER NO CE CREDIT WILL BE AWARDED. YOU WILL NEED CALL-IN & INTERNET ACCESS
